Honoring future leaders

Cadet Crystal Dawson of Kapaa High School joins Lt. Gen. John M. Brown III, Commanding General, U.S. Army, Pacific, and Governor Linda Lingle as they inspect the cadets during the 23rd annual Junior Reserve Officers Training Corps Review and Awards Ceremony.

Almost 800 Hawaii students from high schools on four islands participated Thursday in the ceremony held on the historic Palm Circle parade field on Fort Shafter. The students are cadets from the Army, Air Force, Navy, and Marine Corps JROTC programs in the state. During the ceremony, awards were presented to the outstanding cadet from each unit.
